FROM THE BOARD ROOM

From the Boardroom

As the 2021-22 sailing season has drawn to a close, we can now look forward to some social cruising events as well as our forthcoming prize nights to celebrate the successes of the season.

Cruise on 29 May. Watch out for the Pear Tree merchandise!

At its March meeting the board approved a business case for the recruitment of a full-time sailing coach/trainer. This is an exciting opportunity to greatly enhance RYCT's offerings to members and prospective members including junior and adult learn to sail programs, power boat licence and radio operator training.

It is pleasing to see that our functions and bar business is picking up again as we all become more comfortable about "living with Covid".

Our financial year ends on 30 April, and as you approach the end of your financial year on 30 June, remember that you can make a tax-deductible donation to the club's activities through the Australian Sports Foundation. Check out our projects on our [webpage \(https://ryct.org.au/donations/\)](https://ryct.org.au/donations/) or ask at the office for details.

A final word about safety compliance around the club. The speed limit for all vehicles (cars, bicycles and scooters) in the shared car park/pedestrian areas of the club is 10kph, and for all people in the slip yard, wearing hi-vis apparel is mandatory; No hi-vis, No entry, No exceptions!

See you on the water!

ELIZABETH – movie ticket giveaway to RYCT Members

From the famed director of Notting Hill and Tea with the Dames, comes ELIZABETH. A nostalgic, uplifting and modern documentary about Queen Elizabeth II – the greatest British monarch of all time and longest serving female head of state in history.

For the last nine decades Queen Elizabeth II has been entrenched in our collective consciousness: instantly recognisable, yet elusively and perpetually unknowable. Until now. With extraordinary access to rare footage from the Royal Archives, ELIZABETH is a truly cinematic celebration of an icon that reveals a unique glimpse of the woman behind the legend.

Australian Wooden Boat Festival Maritime Trail 2022

Presented by the Australian Wooden Boat Festival, The Maritime Trail is a behind-the-scenes look into Tasmania's vibrant maritime culture and wooden boat industry. Travel across through the Huon and Channel regions to take private tours of boatyards, or spend a day with a shipwright making a classic maritime object with your own hands.

Learn some new skills and go home with a half-model boat, a wooden mallet, a decorative rope mat, a toolbox, a landing net, etc!

Also on offer are writing, photography, and plein air painting courses, all with a maritime theme. There are also great opportunities for young kids and families to get out

MEMBERS

Member Spotlight

Every month we are asking one of our members some questions, so you get to know your fellow members a little bit better. Meet Sam King an Intermediate Member.

1. How long have you been a member for?

2. What do you enjoy most about the Club?

I enjoy the location of our club, it's so central to Hobart and opens up to a beautiful training area on the Derwent. In every wind direction I have unique wind and sea conditions.

3. What is the best memory you have of being at the Club?

It is not possible to have a favourite memory, every time I go to the yacht club I feel welcomed by everyone.

4. What do you do for a living?

I'm a "uni student" and sailor.

5. What could other RYCT members always ring you for?

I'm always at the yacht club, call me for help berthing or leaving for your next trip.

6. What would you name your boat if you had one?

I have three lasers; RDM, Sunday Roast and one is yet to be named.

7. Would you rather spend the rest of your life with a sailboat as your home or an RV as your home?

Sail boat!

8. Would you rather give up all drinks except for water or give up eating anything that was cooked in an oven?

I would happily drink water.
