What's In The Wind

April 2022

FROM THE BOARD ROOM

From the Boardroom

At its April meeting the board approved the budget for the 2022-23 financial year commencing 1 May which included a modest rise in membership and marina fees, remembering of course that last year no increases were applied.

Your board is currently undertaking a whole of Club strategic risk review to ensure that we have a good understanding of what our risks actually are, how we can mitigate the

initiatives and making adjustments to those plans as appropriate.

The James Boag Navigation and Seamanship Cruise last weekend was a great success; congratulations and thanks to the "Beaver" crew for setting an excellent trial and also the Taranna Boat Club for its hospitality on Saturday evening.

Some great events are coming up at the Club, with the Mother's Day Lunch now fully subscribed. Come and help celebrate the successful 2021-22 sailing season at our presentation events on Friday evening 13 May for the keel boats and Sunday lunchtime 15 May for Off the Beach.

On Wednesday 18 May we will be christening our newest rescue RIB acquired with the generous assistance of a government grant.

And of course don't forget the 50th edition of the Pear Tree Cruise on 29 May. Pear Tree merchandise is available at Reception.

See you on the water!

J. Boag RYCT Navigation & Seamanship Cruise 2022 Report and Results

A great weekend was had by all those participating in the 63rd J. Boag RYCT Navigation & Seamanship Cruise to Norfolk Bay and at the enjoyable post event function hosted by the Taranna Boat Club where we were made most welcome.

Richard Fader's NO LIMITATION navigated by Claire Cunningham was the eventual winner by 4 points from Larry Eaton's ALEGRA with Jack McCullum at the chart table. Ric Buchanan's MOOD SWING navigator Bruce Clements topped off the podium 4 points further back.

Along with the 15 participants the cruise organisers on BEAVER were assisted by 8 control boat skippers and their crews who were always in the correct control location at the right time throughout the weekend.

The BEAVER BOYS are genuinely grateful for the time interest and support provided by Harry Ross – Patrick Copeland – Greg Taylor – Steve Spaulding – Steve Laird – Nick Ryan – Andrew Perkins – Glen Roper – Steve Shield and their intrepid crews.

Commodore Lynton Foster commented that we are welcome back anytime and TBA would be eager to assist in running any future events that come their way.

MEMBERS

Every month we are asking one of our members some questions, so you get to know your fellow members a little bit better. Meet Tyson Wienker, a Senior Member of our Club.

1. How long have you been a member for?

I joined in May 2021, so just on one year.

2. What do you enjoy most about the Club?

Being at the clubhouse, especially with new furniture and updated menu is excellent. Our clubhouse balcony is such a great space.

3. What is the best memory you have of being at the Club?

Leaving the berth last week for a Pedra Branca trip with some good mates and no wind. Autumn is such a great season for the water.

4. What do you do for a living?

I lead the Digital Futures Division for the University.

5. What could other RYCT members always ring you for?

A beer, assistance for anything online related or a spot for sailing any day of the week.

6. What would you name your boat if you had one?

Already have one! She's named the Jack Rose.

7. Would you rather spend the rest of your life with a sailboat as your home or an RV

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

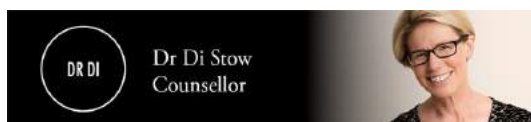

Definitely on the water on my boat.

8. Would you rather give up all drinks except for water or give up eating anything that was cooked in an oven?

The latter – every salty sea dog needs rum on the high seas.
