THE ROYAL YACHT CLUB OF TASMANIA

What's In The Wind

June 2022

FROM THE BOARD ROOM

From the Boardroom

In June the board met for a periodic review of the Club's Strategic Plan. We reviewed our progress on key initiatives set last year and reset our goals for the next 12 months. When the Plan is updated, a briefing will be offered to interested Members, to not only share the board's views but also to invite Member feedback on the Plan.

General Manager Sue Ball and I met with Cruising Yacht Club of Tasmania Commodore Val Nichols during June, to discuss and reaffirm the MOU between RYCT and CYCT. Both parties are very happy with the arrangement and keen for it to continue.

Our Floating Dry Docks Project fundraiser has been very successful, with Members contributing over \$33000 towards the project so far. Thank you so much to those who have donated. The fundraiser will remain open until the end of July. At its June meeting the board approved the purchase of the first four floating pontoons that we hope to have installed before the start of the 2022/23 sailing season.

Director nominations for the RYCT board have now closed, and as the number of nominations received does not exceed the number of vacancies there is no need for a vote to be held this year.

I encourage all members to attend the AGM on Wednesday 27 July at 6:00pm to receive the Club's 141st Annual Report and confirm the new board.

It was with great sadness that we recently farewelled RYCT Life Member John Honeysett. John was a great contributor to our Club and sailing generally over many decades. He attended the June Veteran's lunch and passed away peacefully the same afternoon. Vale John and our sincere condolences to your family and friends.

See you on the water!

Member Spotlight

Every month we are asking one of our members some questions, so you get to know your fellow members a little bit better. Meet Ling Jiang also known as 'Cooper', a Senior Member of our Club.

Photo:- Zihe and Long Jiang - junior RYCT members

1. How long have you been a member for?

Our family have been members in six years since 2016.

2. What do you enjoy most about the Club?

Culture of respect and helpfulness. Including administrators, staff and members.

3. What is the best memory you have of being at the Club?

Three years ago, I have been invited to attend a member's funeral.

When I saw his ashes scattered in the Derwent River, my heart was stinging. Oh, he loved and missed the ocean so much !

As a Chinese proverb says, he came back to his mother's arms at last...

4. What do you do for a living?

I have no job at the moment. But I enjoy the life style with my family in Hobart.

5. What could other RYCT members always ring you for?

We always ring each other for pick ups and drop offs when we had a few " GanBei " at the Club.

6. What would you name your boat if you had one?

Our boat is called Aqua Magic. She is an absolute magical boat which I haven't been able to drive very well yet.

7. Would you rather spend the rest of your life with a sailboat as your home or an RV as your home?

Travel round the world on the boat is our dream!

8. Would you rather give up all drinks except for water or give up eating anything that was cooked in an oven?

Love both eating and drinking, but especially drinking with friends!
