Information not forming part of the Notice of Race

Great Circle life rafts provide a short-term hire service at reasonable prices. They will need a minimum of two weeks' notice to have a life raft delivered in time for the race as life rafts need to travel by surface freight. It is recommended that orders therefore need to be in before 20 January. Great Circle's web address is

Cruise Jackson cruise@greatcircleliferrafts.com.au

There are also some owners of life rafts not intending to compete in the race who may wish to make their rafts available to other boats. RYCT sailing office will endeavour to put competitors in touch with owners of life rafts however a hire arrangement, either with Great Circle or any other provider, is a more reliable way of securing an in-service life raft of the appropriate standard and will be the responsibility of the competitor.
