### **Notice to Marina Berth Holders**

Following the recent works on A-Arm and the subsequent disconnection and reconnection of the fuel dock, we encountered some unexpected issues with our payment system. We are in the process of resolving this and anticipate having credit and debit card facilities back up and running within the next six weeks.

In the meantime, we understand that many of you rely on our fuel dock, so we're here to make sure your experience remains as hassle-free as possible. If you're a member, you can still use your membership cards. Please be reminded, the PIN 1234 is required when doing so.

For non-members or anyone who doesn't have their member card handy, you can make credit card payments by giving Michael Vincent a call at 6240 1857. Michael will guide you through the process and answer any questions you might have.

We're sorry for any inconvenience this might cause and appreciate your patience as we restore the system. Your support means a lot to us, and we're working hard to get our fuel payment system back on track for you.

If you have any questions or concerns, please don't hesitate to get in touch. We're here to help.
